Handwritten text in Burmese script, likely a manuscript or document, showing several lines of text. The text is written in a cursive style and is partially obscured by a dark binding edge on the left.

Handwritten text in Burmese script, likely a historical record or document. The text is arranged in several lines across the length of the palm leaf. The script is finely etched into the surface of the leaf. The text appears to be a list or a series of entries, possibly related to a calendar or a record of events. The characters are clear and legible, though some may be difficult to decipher without specialized knowledge of the Burmese script.
